To Whom It May Concern:

I met Mr Robert Bellon, when I started working at the President Protea Hotel in 1999. During this time I had the privilege of working with Mr Bellon, our preferred photographer.

Mr Bellon is a very conscientious, experienced professional. He offered clients the flexibility in making packages that suits their desires. He is very organized, reliable, and responsible and gives you the "at ease" confidence that client needs. He has done numerous weddings and functions at the President Protea Hotel. We have always received good feed back regarding Mr. Bellon from our GUESTS and it is a real pleasure to work with him.

There is no hesitation when I have to recommend a photographer; it is always Mr. Robert Bellon.

If there is any question regarding Mr. Bellon's recommendation, please feel free to contact me at any time

Kind regards
